

BOARD BRIEFS

Dr. Betty Poindexter, Interim Superintendent

January 28, 2015

Celebrating the Joy of Learning

High School students who participated in Purdue's Summer Leadership Institute shared their valuable insights gained from the experience. They were also presented with certificates of completion.

The Center of Excellence in Leadership of Learning (CELL), from the University of Indianapolis, presented Richmond High School with their Early College High School endorsement. The many benefits and success of RHS's early college program were shared.

Action Items

The Board took action on various items including:

- resolutions for temporary transfers to depleted funds
- Board of Finance organization
- the continued waiver of Policy #7434 allowing participants in the adult education programs at C.R. Richardson to continue smoking in a designated area.
- a curriculum delivery structure change from trimesters to semesters, with the exception of Test Intermediate, to begin the 2015-2016 school year. Test Intermediate will be reviewed in the future by the Board.

Upcoming Meetings

- February 3rd at 4:00 p.m. the Success Committee will meet openly in the Administration Building.
- February 10th at 1:00 p.m. the Finance Committee will meet openly in the Administration Building.
- The next Board of School Trustees regular meeting will take place on February 11, 2015. Topics will include a presentation celebrating the Preschool, continued transportation discussion, and an update on the Garrison property.

RCS Needs for Transportation (Beliefs and Wants)

The Board began discussion of wants and needs for transportation services for our students. The purpose was to identify the Board's top priorities for transportation service. The top priority identified during the discussion is student safety. The conversation regarding beliefs and wants for transportation services will be continued at the next Board meeting.
