Action Items

The Board took action on transportation cost saving initiatives. Those initiatives include:

- Adjust elementary school boundary lines to maximize neighborhood schools and minimize cross-town busing.
- Change the Elizabeth Starr Academy from a magnet school to a neighborhood school.
- Return transferred students to their neighborhood schools to minimize cross-town busing.

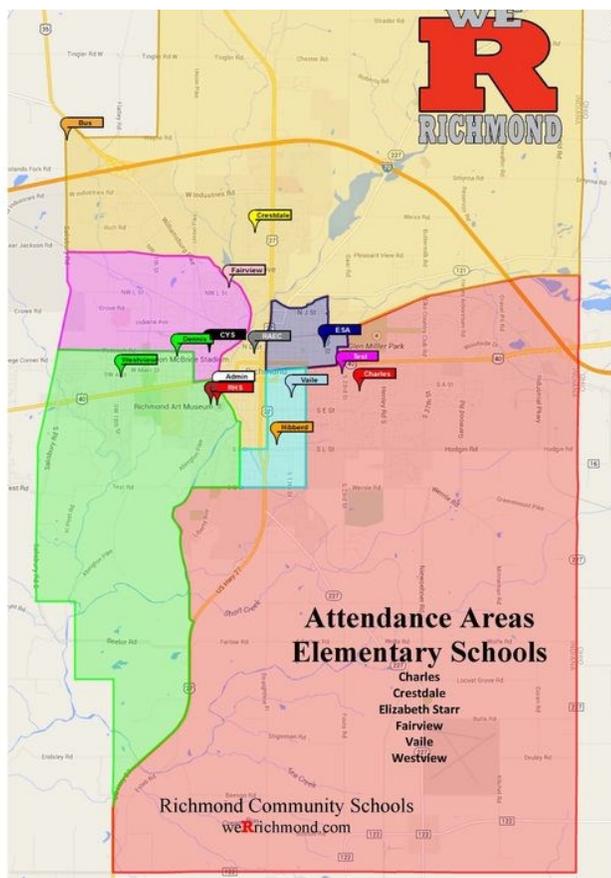

In summary, all students will return to their neighborhood school as defined by the boundary lines presented to the Board on March 25, 2015 with one exception. The third grade students at Hibberd for the 2014-2015 school year will be permitted to continue at Hibberd for 4th grade for the 2015-2016 school year.
