Mrs. Aleasia Stewart, Executive Director of Human Resources, led the board and gathered participants through an activity on the visioning process. The participants broke into six groups to brainstorm their vision for Richmond Community Schools. The end result was the generation of the above headlines, representing an RCS future seven years from now, aligned with the vision for the school system.

MORE THAN WORDS

FOLLOW UP—OLD BUSINESS

- Mrs. Morgason called attention to the artwork in the board room from Elizabeth Starr Academy.
- Rae Woolpy spoke on Kaitlin Kramer, a senior who was recently awarded a Lilly Scholarship.
- Mrs. Morgason drew attention to the cards at each place describing **humility** the word of the month provided by the More Than Words Campaign. The campaign highlights character and values that are communicated with students using different activities directed at these words.
