Adjournment/Bell Ringer

Mr. Terrill had many exciting things to share tonight. Charles Elementary is a 4 Star School; this is the only 4 Star School in the county. He congratulated the staff and Dr. Andrews for their hard work. He also announced Dr. Andrews' retirement and thanked her for dedication to RCS. Mr. Terrill informed the public that Starr Elementary has been recognized by the Indiana Department of Education as a school of Promising Practice in the area of data and that RHS is the only A school in county. He thanked all faculty and staff for another successful school year. Lastly, he thanked Ally King, his executive assistant, for her time at RCS and wishes her well in future endeavors, she will be greatly missed.

Dr. Balch will have the executive summary completed and will present to the board on June 8th. The overview of the executive summary will include a PowerPoint presentation highlighting the strengths and challenges, and will include summary statements from the survey participants.
