May 28, 2014

The Board of School Trustees wishes to CONGRATULATE THE CLASS OF 2014!

The Board of School Trustees commends all students on their hard work this school year and especially the seniors through the last four years. The Board thanks teachers, administrators, students, and families for their efforts that resulted in great success.

The Board would also like to recognize the many students who are going into the military to bravely serve our country.

Finally, the Board congratulates those at the Adult Education Center who successfully obtained their GED.

BELIEFS WORK SESSION

Mrs. Aleasia Stewart led the Board in a discussion on the beliefs of Richmond Community Schools.

The Board will then base the new mission statement from those beliefs.

A few examples of mission statements include:

RCS: Provides students preparation for a future of limitless possibilities.

RCS: Provides students with the foundation to make the right decisions as they move through the pathways of life.

The Board will continue their work on the mission statement of Richmond Community Schools at the next meeting on June 11, 2014 at 5:30p.m.
