Board Reports/Old Business

Student Achievement

Chuck Reynolds, Assistant Superintendent, shared the results for the NWEA formative assessment. The assessment gives a RIT score for individual students and is used to guide instruction of students in Reading, math and Language Arts.

Student Transit Contract

Karen Scalf, Chief Financial Officer, informed the board that the Student Transit Contract draft is nearing full completion. The contract will be brought back to the board for discussion on the June 22nd meeting and approval in July. The contract is to begin January 1, 2017. RCS will receive a check in the amount of 167,859.12 from Student Transit. The check reflects the August – December savings as a result of the modification to board policies, administrative guidelines, and management of the student transportation area in 2015

Adjournment/Bell Ringer

We received a thank you card from Morrison Reeves Library. Our football team, once again this year, showed up to their annual book sale and helped carry books to cars. The graduation ceremony was a great success. Thanks to all the teachers and administrators across the district for the 13 years of dedication to the students that helped them graduate.

Upcoming Meetings

Representatives from Excel Center and the YMCA will bring information regarding the smoking policy/practice at their facilities. Continue to work on the Climate Audit. Presentation of reports on Mental Health and Mentoring.
