Technology Integration Specialist, Jim Migoski.
The video was created by intern Jake Allen.

BOARD GOALS APPROVED

The School Board has approved the following three goals for Richmond Community Schools. They discussed the sample indicators of success/progress presented by Dr. Bourff. There will be continued discussion on these indicators at future meetings.

SAMPLE INDICATORS OF SUCCESS/PROGRESS

- Goal 1:** *Richmond Community Schools will increase opportunities for student and stakeholder engagement.*
- A. Student participation in extracurricular activities
 - B. Additional before/after school programming
 - C. Parent participation numbers/rates in school-sponsored activities
 - D. Identification of technology programs most frequently used in academic disciplines
 - E. Service learning project data
 - F. Internship/mentorship data
- Goal 2:** *Richmond Community Schools will assure student growth through measures of academic, social/emotional, and physical successes.*
- A. Gains in percentage of students passing the English/Language Arts and math portions of the ISTEP
 - B. Benchmark assessment results
 - C. Maintenance of a graduation rate at a minimum of 90%
 - D. Increase in student attendance
 - E. Trends in RTi
 - F. Documentation of daily time dedicated to student physical activity
 - G. Activation of building level “Worriers” dedicated to cultural competencies
 - H. Health service referral data
 - I. Behavior referral data
- Goal 3:** *Richmond Community Schools will maximize resources to provide the highest quality educational opportunities for students in Wayne County.*
- A. Maintenance of a balanced budget
 - B. Progress in digital conversion
 - C. Results of Energy Savings Project
 - D. Field trip data
 - E. Partnership activities and status
 - F. Increase in teacher attendance
 - G. Professional growth data
