Adjournment/Bell Ringer

Mr. Chris Ross, Counselor at Dennis Intermediate, received the Gold Star School Counseling award. Dennis Intermediate was one of 30 schools honored at the Indiana Counseling Conference in Indianapolis. Mr. Terrill and the board are very pleased with Mr. Ross' efforts and dedication to the students at Dennis Intermediate.

Mr. Terrill recognized the many opportunities for the students at RHS. The Biomedical students recently had the opportunity to see an actual knee replacement being performed and were able to ask the doctor questions. He also visited the building site where RHS students from the construction class were building a two story garage; the automotive class is replacing an engine in a police car from a local police department; the statistics class was at the polls on Election Day doing exit polling. These are just a few examples of the great opportunities we have at Richmond Community Schools.
