Work Session

Mr. Terrill and the cabinet have met with the following employee groups regarding Master Planning: Environmental Services, Student Resource Officers, and the Preschool Teachers. Next week, they will meet with Central Office Staff and the RCS secretarial staff.

Minutes from all meetings are being posted on the front page of the RCS website.

Surveys were posted last Friday (2-9-18) on the RCS website for all community members to complete. As of today: 71 Elementary, 47 Intermediate, 25 High School and 57 Grade Configuration surveys have been taken.

Data was collected using Padlet (an application – took the place of paper flip charts) at the High School, Test, Dennis, CYS and Hibberd's Master Planning meeting for staff during their PD time. The Padlet will be left open until Thursday morning for additions after the meeting. The notes will be posted on the RCS website.

Board members discussed pros and cons of the Community Input Meetings.

Adjournment/Bell Ringer

Mr. Terrill highlighted our Red Devil Speech Team; they have blossomed over the past two years. They earned a 2nd place out of 28 schools at Logansport. Justice Lewis and Naomi Carter were champions in Duo and Kay Walker took first in Original Oratory. Kyleeane Wood could qualify for nationals in congress. This is a very dedicated group and RCS is very proud of their work and accomplishments.
