Celebrations/Reflections

Hunter Lambright, RHS Teacher and Taylor Jackson, Student Body President invited the board members to attend the Platinum Prom On May 6th, 2017 from 6:00 p.m. – 9:00 p.m. A jazz band will be providing the entertainment for the evening. Students in the construction class built a soda bar for the event.

This will be the 10th year of the Platinum Prom and it has always been very well received.

Mike Shunneson, Director of Secondary Education, introduced the members of the Next Gen Cadre that will be presenting in July at the Canvas National Convention, InstructureCon in Colorado. Their presentation is titled “Failing is the new black – changing mindsets”. The Next Gen Cadre is a partnership with IUPUI and includes 30 Richmond Community Schools staff members. Being part of the Next Gen Cadre has not only been very beneficial to the staff members involved but also to the other teachers and students in the district. Members chosen by IUPUI professors to present are: Hunter Lambright, High School Teacher; Richard Green, Intermediate Art Teacher; Melody Williams, Kindergarten teacher; Kathy Benner, 3rd grade teacher

Richmond Community Schools will be hosting two conferences over the summer. “Mission Possible” June 1st and 2nd and the eLearning Expo July 18th and 19th. Both are teacher led, for the teachers by the teachers. Richmond Community Schools is working on changing the mindset of how to teach the 21st century learner.
