Board Reports/Discussion

Contracts will be brought to the next board meeting for approval. The recommendations are for the lowest bid on each of the projects to be done. Approving the lowest bid for each project instead of going with just one company will save Richmond Community Schools approximately \$48,000.

Rob Tidrow, Chief Operations Officer, described the process of how quotes were received. The quotes are for the design work only.

Adjournment/Bell Ringer

The Homecoming parade was a great success. Hunter Lambright did a phenomenal job organizing the parade. Isaiah Cox, student (leader of the Bleacher Creatures), did an amazing job planning activities for the students after the parade. A food truck was available, a dunk tank and organized games.

Both Hunter and Isaiah's hard work and dedication to RCS is very much appreciated.
