The Chamber Event was great success thanks to the staff and students at Richmond High School.

In September, Michael Shunneson, Directory of Secondary Education, received the Outstanding Leader Award at the 2017 Indiana Connected Educators Conference.

In November, Rob Tidrow, Chief Operating Officer, received the 2017 Indiana Technology Coordinator of the Year Award from the Hoosier Education Computer Coordinators (HECC).

Both awards are a tribute to the support all the employees receive from the board members at Richmond Community Schools.

## Board Reports/Discussion

Mr. Dan Mader, Fanning Howey, reported the findings from the survey that was given at the Community/Student Input Meetings.
