Todd Terrill, Superintendent

November 28, 2018

Celebrations/Reflections

Kirsten Phillips, Principal at Charles Elementary, shared a video showing staff and students engaged in LLI reading groups. Leveled Literacy Intervention is utilized in all RCS elementary buildings.

Leveled Literacy Intervention System (LLI) is an intensive, small-group, supplementary literacy intervention for students who find reading and writing difficult. The goal of LLI is to lift the literacy achievement of students who are not achieving grade-level expectations in reading.

Mrs. Phillips and Dr. Hartley answered questions regarding LLI and other ways they are working on bolstering literacy for all students at Richmond Community Schools. The schools are seeing great results with LLI, just one piece of the overall plan to improve literacy.
