

## BOARD BRIEFS

Todd Terrill, Superintendent

December 13, 2017

### Celebrations/Reflections

#### Elementary Education

Corey Hartley, Director of Elementary Education, shared with the board that following [@wearrichmond](https://twitter.com/wearrichmond) on Twitter is a great way to see what is happening daily in each of the buildings. These are daily positive occurrences that do not show up in data. Mr. Hartley also presented a YouTube video he made to highlight some of the many great things that are happening in Richmond Community Schools.

Mr. Hartley said that RCS has fabulous building leaders and fabulous teachers that are moving our students forward and he is excited for the future. He ended his presentation stating that he is very proud of the elementary principals and teachers.
