

BOARD BRIEFS

Dr. Allen Bourff, Superintendent

December 14, 2011

WORK SESSION

Master Planning Recommendation: Dr. Bourff presented a powerpoint outlining the Master Plan recommendation. The Board will take the recommendation under advisement. Dr. Bourff stated that, in order for the plan to take effect for the 2012-2013 school year, a decision is needed at one of the January meetings or the first February meeting in 2012. Dr. Bourff stated that this recommendation eliminates a looming budget deficit, protects class size, preserves academic support services, enhances enrichment opportunities, provides for stability, establishes flexibility, honors parental choice, and protects the tax rate.
