Richmond Community Schools Announces Two Promotions

Richmond Community Schools' Building and Grounds Department has announced the promotion of Glen Slifer and John Hamilton to Area Managers. They will be responsible for supervision, scheduling, budget input, hiring and discipline. The positions became available after the passing of Building and Grounds Department Supervisor Ron Robinson in May 2012.

"Glen and John have been a key part of our success, and we are thrilled to promote them to these important positions," said Director of Business and Finance, Bob Coddington. Area Manager Glen Slifer joined Richmond Community Schools in 1988 as an electrician and quickly rose to several supervisory and management positions. Area Manager John Hamilton also joined Richmond Community Schools in 1988 as a carpenter and swiftly rose to several supervisory and management positions. "We plan to develop Richmond Community Schools in the coming years, and we are confident that Richmond Community Schools will continue to be a strong asset in our community," said Mr. Hamilton.

The Richmond Community School District provides each of its 5,500 students with a superior education in a safe and challenging environment and is committed to graduate every child career and college ready.
