

Richmond Community Schools' Damage, Repair, and Replacement Agreement

I agree to the Richmond Community Schools' Damage, Repair, and Replacement Agreement for coverage of theft, loss, or damage of my student's school-owned Apple iPad as outlined below. The Indiana Department of Education Classroom Innovation Grant monies cover the AppleCare+ limited extended warranty for the first two years. The fees listed below cover damaged and lost devices that are not covered in the limited warranty.

Damaged iPad	Lost iPad
1st Occurrence - Up to a \$50.00 Fee	Full cost of the iPad (\$479.00)
2nd Occurrence - \$50.00 Fee or repair fee whichever is higher	
3rd Occurrence/+ - Full iPad replacement (\$479.00) or repair cost	

- Lost or stolen iPads will be permanently disabled by Apple. Any reported theft of an iPad will be fully investigated and reported to authorities.
- Intentional Damage: Students and Parents are responsible for full payment of intentional damages to the iPad. The AppleCare Warranty and the Richmond Community Schools' self-insurance protection **DOES NOT** cover intentional damage of the iPad. This also includes intentional damage to another student's iPad.
- "Jailbreaking" the device results in the loss of the Apple warranty through Richmond Community Schools. Parents and students will then be responsible for any and all fees and/or replacement of the iPad.
- Intentional damage or loss of iPad protective case will result in a replacement fee charged to the student/parent. Fee is \$50.00.
