Ordering Instructions:

To place your first order please submit: a completed enrollment form; a new prescription for each medication; and a copy of your photo identification*.

**Similar to a number of states in the US, some CanaRx pharmacies require a copy of photo ID be provided prior to dispensing the medications. In order to prevent order delays, we encourage patients to include a clear copy of their photo identification with their enrollment form or upload directly to our secure site www.CanaRxDocs.com. If not included, a CanaRx representative will contact you when required by the pharmacy dispensing your medications.*

Ask your doctor for a prescription for a **3 month supply** with **3 refills**. We will call you prior to each renewal to ensure that you have a continuous supply. Please allow 4 weeks for delivery.

Medications must be tried for 30 days before ordering through **RCSCanaRx**.

CONFIRMATION AND REPRESENTATIONS

I enter into this agreement with CanaRx Services Inc. at Windsor, Ontario, Canada, and CanaRx Group Inc. at Christ Church, Barbados (collectively referred to as "CanaRx") so that I may obtain access to medically-necessary and lawfully prescribed drugs at low costs.

I represent:

1. I am of the age of majority in the jurisdiction in which I ordinarily reside.
2. I am not restricted from making my own medical decisions under the laws of the jurisdiction in which I ordinarily reside.
3. I certify that I am a resident of the United States and not a resident of any other country.
4. I am under the care of a duly qualified and licensed physician in the United States (my "U.S. physician") and the medicine that I ask CanaRx to assist me in obtaining was prescribed for me by my U.S. physician.
5. My U.S. physician has examined me within the last 12 months and will examine me at least once every 12 months while I am taking medicine.
6. Any medicine that I ask CanaRx to assist me in obtaining is medicine that I have already taken, under my U.S. physician's orders and supervision, for at least 30 days prior to placing an order for the medicine through CanaRx.
7. My care by my U.S. physician is ongoing and I do not seek and will not rely on any medical information from CanaRx or any CanaRx contracted physician.
8. I have not violated any laws in the jurisdiction in which I ordinarily reside (or, if different, in the jurisdiction in which the prescription was issued) in obtaining the prescription for the ordered product.

I consent to, and authorize, the following:

1. I hereby appoint CanaRx and its delegates and contractors (collectively referred to as "CanaRx") as my paid agents and attorneys-in-fact for the purposes of obtaining prescriptions which correspond to the prescriptions issued by my U.S. physician and of arranging for pharmacies to dispense to me medications as prescribed.
2. CanaRx may perform any act that I could myself perform in having my prescription reviewed by any physician, pharmacist, or pharmacy technician and in having the prescribed medication dispensed by a pharmacy and delivered to me.
3. CanaRx may arrange the purchase and delivery of the medications prescribed to me, on the terms set forth in this agreement, as if I personally took such actions.
4. I authorize and instruct my U.S. physician to release to CanaRx (and any CanaRx contracted physician, pharmacist, and pharmacy technician) any and all personal medical information pertaining to me ("Personal Medical History"), including but not limited to all medical records, medical reports, progress notes, nurses' notes, reports on diagnostic tests, medical opinions, Xray records, imaging records, laboratory reports, and/or any other knowledge or information which my U.S. physician may possess.
5. I agree to instruct my U.S. physician to issue my prescription on paper (if necessary for dispensing by a pharmacy located outside my U.S. physician's jurisdiction) and to send (by mail, by fax, via the internet or otherwise) to CanaRx from my U.S. physician's office the original signed copy of the prescription.
6. CanaRx and its contracted physicians, pharmacists, and pharmacy technicians may contact my U.S. physician to discuss my prescription if necessary.
