

Elementary

Positive

Teachers are getting the training they need in canvas, technology, etc

In classroom High Ability (pull-out)

High Ability at Hibberd 3/4 is collaborative with upper grades (5-8)

PreK in each building

- a. Helps CIS meet needs
- b. Helps school social skills
- c. Helps with comfort level at school

Needs Improvement

Identify student faster (process quicker)

Would like to see....

Room for more PreK – meet waitlist needs

Intermediate

Exceptional education

Positives

Special education has improved in the past few years

LOGOS – Hibberd is outstanding – increased area of rigor

Hibberd

Love the multi age

Teacher's collaborate very well together

5th – 8th kids provide feedback for each other – communication is great

Canvas and technology is great

Staff is very interactive

Prepare them for college

Student leadership

Early College – keep with groups

Negative

What is our role as parents in Canvas?

Hibberd – do not get a good sense of grades (would rather see a physical grade on core classes)

Hibberd – appreciates the innovated grading – helps with students to really learn

Look at class size district wide (numbers are higher)

Would like to see...

Hibberd used to have club day (early college, life skills, logos)

Parent Education ie: Canvas

Project-Based learning days at Dennis and Test

Creative Arts

Positives

Offer variety of high quality Arts

Licensed teachers

Would like to see....

Home Ec, traditional life skill courses

Full 5 days of creative arts

Social Services

Concern – we need more hours of CIS

How will counselors in the future begin to work with students regarding pathways?

- a. Career exploration begin early
- b. Need parent communication

Would like to see...

Tutoring equity

High School

Positive

The numbers of college credits students can get in the HS are incredible

Opportunities for college preparedness is great

IEP support for students is “amazing”

Job Fair – employers are finally realizing they must reach out to the schools (reaching them at the intermediate schools)

Would like to see....

Expand credit recovery

How to get the word out about signing up for 21st century scholar? How to engage parents?

PLTW – can this be brought into the intermediate/elementary schools?

How to get students prepared for many different occupations (Lawyer)?

Is there a way to cohort all the middle school students?

Grade Configurations

Early childhood center?

9th grade Academy? 9th grade transition program

Help parents/students with the transition program.....From Intermediate to High School

8th grade not at high school

Extra-Curricular and Co-Curricular

Would like to see feeder programs at intermediate level for baseball, softball, soccer

4H at elementary and intermediate

Program to help parents learn how to.....students grades, talk with principals, etc

Love the robotics – would like to robotics at all levels

High school sports to be offered as club sports for lower levels?

Middle school and high school music directors are collaborating – positive

Thump jumpers tradition – unique extra-curricular opportunity (Hibberd) - expand
