RHS Athletic Department receives keys to Motor Coach

Chad Bolser, Athletic Director at Richmond High School, accepted keys on Thursday to a 47 seat motor coach, emblazoned with the *We R Richmond* logo.

The motor coach was made available by Sodrel Transportation Group. Sodrel, the parent company of Student Transit, has been a partner with Richmond Community Schools in transportation for seven years.

“This motor coach became available from one of our subsidiaries and I thought of Richmond Community Schools first,” said Noah Sodrel, President of Sodrel Transportation Group.

The motor coach, valued at more than \$ 100,000, has Wi-Fi and expanded electrical capacity for online learning before and after athletic events. The \$48,315.54 cost includes refurbishing with the *We R Richmond* logo and the interior of this 47 seat motor coach was designed and paid for by the Richmond High School Athletic Department. Tax dollars used in the transaction were for the internet connectivity only.

“This is another example of the Richmond Community Schools’ commitment to student success made possible through a valuable partnership,” stated Allen Bourff, Superintendent.

###

The Richmond Community School District provides each of its 5,500 students with a superior education in a safe and challenging environment and is committed to graduate every child career and college ready.

Special thanks to these businesses for their continued support in our marketing efforts.
